

YOUR VIEW:

Da Costa Reserve Playspace Redevelopment

We invite you to share your view on the proposed concept design for the new Da Costa Reserve Playspace.

The existing Da Costa Reserve Playspace equipment was installed in 2001 and 2004 and has now reached the end of its life.

This is a very well used reserve and playspace by local residents and by families from Glenelg Primary School before and after school hours.

This is a great opportunity to reinvigorate what has been a really well-loved playspace for local residents and the wider community and improve the opportunities on offer.

**This engagement opens on Tuesday
6 October 2020 and closes 5pm
Wednesday 28 October 2020.**
