

YOUR VIEW: Dover Square Reserve

We invite you to share your view on improving equity of use at Dover Square Reserve.

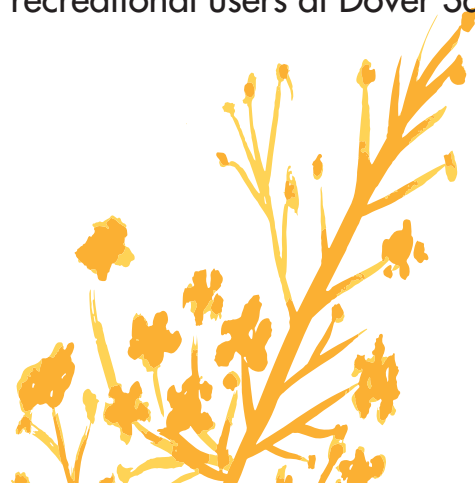

Dover Square Reserve is a popular public space and is highly used by the local community. Over time there have been concerns raised regarding issues between different user groups of the reserve.

Due to the high level of interest from the community, we are undertaking community engagement to seek feedback on four new options that aim to provide safety and achieve equity of use between all recreational users at Dover Square Reserve.

The aim of this engagement is to seek feedback on four proposed options that aim to improve equity of use for all reserve users in order to determine the community's preferred option to progress. You may also suggest a different option to improve equity of use for all users.

This is an opportunity for everyone to share their ideas and feedback on what they believe is the best option to improve access and use at Dover Square Reserve.

We welcome everyone to share their ideas and opinions.

Dover Square Reserve

We invite you to share your view on improving equity of use at Dover Square Reserve. Please note only one submission per participant will be accepted.
